Item 143

25 YEAR RE-REVIEW

ADSO

28 April 1950

Chief, [REDACTED]

Procurement of an Operational Base

1. It is requested that approval be granted for the securing of physical control and rehabilitation of the area known as [REDACTED]

3. [REDACTED] has agreed to turn this area over to [REDACTED] for operational use.

4. The area will be utilized as a training and holding area for [REDACTED] a field headquarters and secondary operations base for OGO intelligence activities, and additionally can serve as a modified Class B radio station for the CIA world wide communications link. Such uses should be securely separate from OPG operational activities, which means that [REDACTED] should be an exclusive OGO establishment.

5. It is estimated that the area can be rehabilitated at a maximum cost of \$216,000, and it is requested that funds totaling this amount be allocated from FY 50 funds for this purpose.

6. A detailed plan for use of the area, details of estimates and map have been discussed with RLC, STB and COMMO. This material is available from HNZ.

7. It is recommended that approval be granted to secure this area.
